## WELCOME BACK!

The Fall 2025 semester is just around the corner, and we're excited to kick things off with something new: the very first GradMag Bulletin! Every two months, this newsletter will keep you connected with upcoming events, important updates, and ways to get involved with our growing community. Think of it as your go-to guide for all things GradMag.

We'll start the semester strong with the Involvement Fair on Wednesdays, September 3rd at 12:00 PM in the SAC Plaza, where you can stop by our table to learn more about GradMag and meet our team.

The following week, we hope to see you at our Welcome Social on Tuesday, September 9th at 6:00 PM in SAC 303. Come meet fellow graduate students, enjoy pizza and snacks, and join in some seasonal arts and crafts as we kick off the year together.

Looking ahead, we're also excited to host No Stupid Questions: Graduate Students Only on Tuesday, October 7th at 6:00 PM in SAC 303. This open, supportive event will be a space for graduate students to share advice, ask questions, and connect without judgment. We can't wait to see you at our events this fall and to grow the GradMag community together. Stay tuned for our October Bulletin for even more updates and opportunities to get involved!
