

## BRIDGES: A Cross-Departmental Graduate Student Conference

The submission deadline is fast approaching so we are using this Winterim edition of the Newsletter to serve as a reminder about the upcoming conference. The event is scheduled for January 30th in SAC Ballroom A, beginning at 9:30 am and following the attached schedule. Graduate students will have the opportunity to present posters on their research. To be involved, an abstract must be submitted by January 3rd (please submit [here](https://tinyurl.com/GradMagBRIDGES): [tinyurl.com/GradMagBRIDGES](https://tinyurl.com/GradMagBRIDGES)). BRIDGES is featured here on our website - [sbugradmag.com/bridges](https://sbugradmag.com/bridges). A submission guide is available on our website along with a place to submit and RSVP.

We plan to incorporate judges from multiple departments to award the top poster presentations based on scoring rubrics. Those recognized as winners will have the opportunity to publish their work in the upcoming edition of the magazine.

We hope you can join us in supporting our peers at this interdisciplinary event to foster collaboration through different departments.

Congratulations on the completion of the Fall 2024 semester! We look forward to what Spring 2025 brings for the Magazine.
