

STUDENT-RUN ORGANIZATION | @SBU_GRADMAG | WWW.SBUGRADMAG.COM

Our Semester Plans

Welcome to a new semester of the Graduate Magazine's Newsletter. Our goal as an organization remains to be a collaborative space for debuting creative research and innovative art. We are hoping to expand our magazine this semester in both membership and submissions. In order to facilitate that goal, we have some plans for the semester. We intend to work closely with artists and writers throughout the editorial process. See the attached flyer for submission deadlines for varying media types. We are working to grow our team of digital artists to bring our magazine to life.

Our General Body Meetings (GBM's) this semester will run on every other Wednesday from 1:30-2:00pm on Zoom beginning on September 4th. We will discuss our plans more in depth and can answer questions regarding submissions or membership.

Join us on Wednesday, September 11th, for our first in-person social event of the semester! The event will be held in Union L06-01A at 1 pm, with snacks and pizza provided. Come meet us, learn about how you can get involved, and enjoy some seasonal arts and crafts activities. We look forward to seeing you at our Welcome Social!

Our second event of the semester will be in October, stay tuned for the date and location.
