We're excited to share
The Next Generation
GradMag's Third Annual Magazine!

This edition showcases the creativity, resiliency, and intellectualism of the diverse voices of graduate students across the university. This issue features research, artwork, poetry, and writing from disciplines spanning the sciences, engineering, humanities, social sciences, and the arts.

Explore the latest issue and browse our archive of past magazines.

Interested in being part of the next issue?

Our call for submissions will open this fall for the fourth edition of *The World Within*, publishing in May 2027. We welcome original work from graduate students across all departments and disciplines.
